We Make Brands
STAND OUT

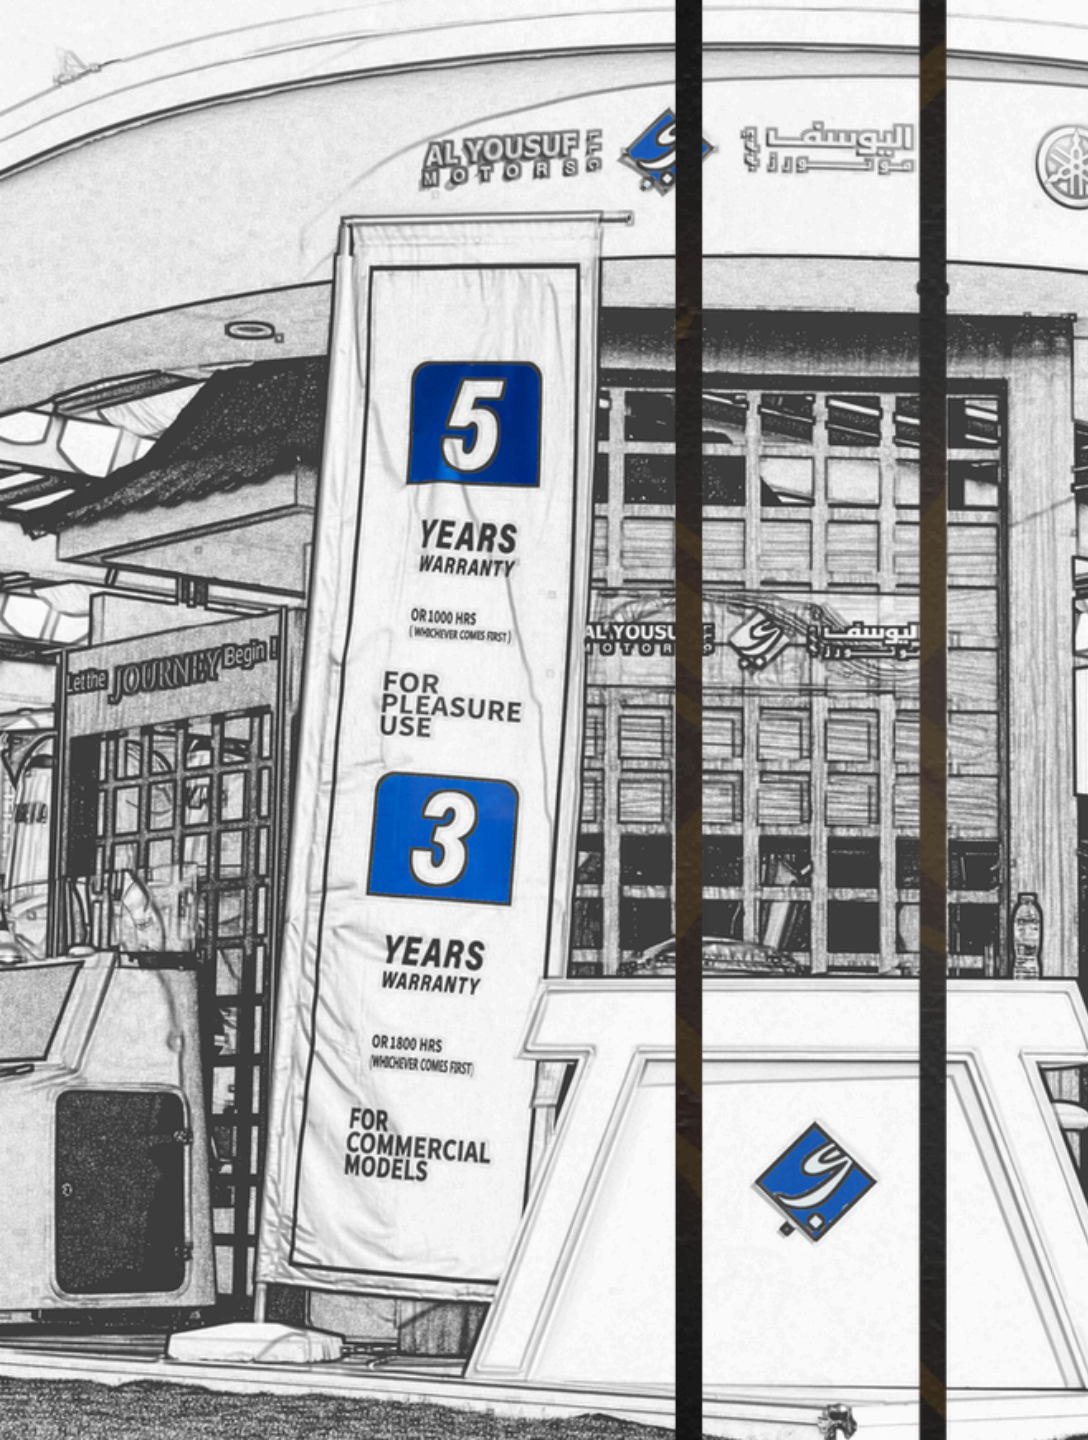

Our Journey >>

In the heart of bustling Alexandria, back in 2010, two brothers dreamt of a different kind of stage, not for actors and dancers, but for brands. Fueled by a shared passion for design and a relentless pursuit of excellence, Hashtag10 was born.

From the vibrant markets of Egypt, we honed our craft, mastering the art of transforming mere space into immersive brand experiences. Our journey then led us to stand tall amidst

the soaring skyscrapers of Dubai and the mountains of Muscat. to the sun-drenched shores of Saudi Arabia, and now we reached to the dragon's den of China, ready to write the next chapter of our story on the global stage.

A Brotherly Odyssey carrying out a **bloodline's legacy of Standout** impactful Experiences!
